Knowledge Mat – Making Music.

Subject Specific Vocabulary		Sticky Knowledge	Key Questions
bpm	The number of beats played in a minute.	To make music digitally using 2Sequence.	What is meant by digital music ? Digital music is made using a computer or other device. Digital music allows the computer to copy the sound made by instruments and combine them together to make a piece of music.
Composition	A creative work, especially a poem or piece of music.	To explore, edit and combine sounds using 2Sequence.	
Digitally	By means of digital or computer technology.	To edit and refine composed music.	
Instrument	An object or device for producing musical sounds.	To think about how music can be used to express feelings and create tunes which depict feelings.	How can I change how my music sounds ? You can change how music sounds in many ways. One way is to increase the tempo of the music or vary the volume of each instrument in the piece.
Music	Vocal or instrumental sounds (or both) played alone or combined.	To upload a sound from a bank of sounds in the Sounds Section.	
Sound Effects (Sfx)	A sound other than speech or music made artificially for use in a play, film, or piece of music.	To record and upload environmental sounds into Purple mash. To use these sounds to create tunes in 2Sequence.	
Soundtrack	A recording of the musical accompaniment of a film.		What is meant by the tempo of the music ? Tempo is measured in BPM, or beats per minute. One beat every second is 60 BPM.
Tempo	The speed at which a passage of music is, or should be, played.		
Volume	How loud a piece of music is played.		

Knowledge Mat – Presenting Ideas

Subject Specific Vocabulary		Sticky Knowledge	Key Questions
Audience	The people giving attention to something.	To explore how a story can be presented in different ways.	What do we need to think about when planning a presentation ? The important thing to consider is the audience. Think about how old they are and what they would find interesting. For younger children, a presentation with pictures may be more appropriate.
Node	A way to represent a concept or idea using text and / or images.	To make a quiz about a story or class topic.	
Animated	A process by which we see still pictures appear to move.	To make a fact file on a non-fiction topic.	
Non-fiction	Informative or factual writing.	To make a presentation to the class.	
Quiz	A test of knowledge, especially as a competition between individuals or teams as a form of entertainment.		
Presentation	A speech or talk in which a new product, idea, or piece of work is shown and explained to an audience.		
Narrative	A narrative (story or tale) is any account of a series of related events or experiences. This could be fictional or non-fictional.		Why should I plan out my presentation ? Planning out your presentation allows you to make sure you have included all the information you need to. It is easier to do this in the planning phase rather than when you have started the presentation.
Concept Map (Mind Map)	A tool for organising and representing knowledge. They form a web of ideas which are all interconnected.
