Tel: 0161 770 5475

1st February 2017

Dear Families.

Following the assembly on Monday 30th January with Andrea Stevenson, Macmillan paediatric specialist, we have discovered that the hospital has a book trolley for the children. At the last school council meeting people were wondering if we could donate books to the hospital and Andrea has told us that the children would love to have new books to read. So, if you would like to donate new or good quality second hand books for ward 84 at the Manchester children's hospital please send them in on pyjama day (10th February). Andrea requests that any books donated are wipe cleanable.

Thank you

Yours Sincerely

Isabelle and Oscar

School Council

Isabelle (Chairperson) and Oscar (vice chair)
