Dear Andrea Stevenson,

This year our charity, chosen by the children, is Macmillan. We would like to raise as much money as possible to support the work of this charity. We think that if we shared lots of information about the work of Macmillan and how much it costs we will raise a lot of money. We would be really interested in having a target to aim for that would buy something specific. For example, we raised £1500 for Guide Dogs UK because we knew we would be able to name a guide dog.

We are writing to you because your nephew, James, told us that you are a nurse for Macmillan and we would like you to come in and explain what your job is. We were also wondering if you could tell us about the charity or if you know anybody else who could talk to us about the charities work.

You could come and do an assembly, or you could talk to individual classes or school council. Please let us know when you are available. If you would like more information about school council please contact Miss Bowers on the phone number above or via her email; jenny.bowers@thorp.oldham.sch.uk

Thank you for your time.

Yours Sincerely

Isabelle and Oscar
