

World book day 😊😊😊

On Thursday 8th March there was World Book Day we were supposed to have World Book Day on Thursday the 1st of March but because of the snow school was sadly closed. 😞 All the classes dressed up from an author they have been learning about. Year 3 had to dress up as an author from Roald Dahl's books. Some people dressed up as Willy Wonka some people dressed up as Fantastic Mr. Fox nearly everyone was dressed up. Also in assembly all the classes walked round in a circle so all the other classes could see what other children were dressed as. Then some people from other classes came to the front and explained what author character they was dressed as and what author they had been working on. For the rest of the day all the classes did some activities about their author.
