

<p><u>Communication and Language</u></p> <p>Children will be encouraged to talk in front of the whole class about things that they like and things that they don't like quite so much and to show awareness of the listeners needs too. We will also talk about jokes and humour and things that make us laugh - that's always going to make us feel much better!</p> <p><u>Personal, Social and Emotional Development</u> - Children will describe themselves in positive terms and talk about their abilities</p>	<p><u>Literacy</u></p> <p>Children will continue to read a range of fiction and non-fiction books and we will look at some poetry. We will label pictures and continue to read and write simple sentences. Some children will write more complex sentences using 'and' as a joining word. When writing, if a child doesn't know how to spell a word, they will use their phonics knowledge to sound words out as well as using word banks. Children will also be expected to read and write some key words.</p> <p><u>Personal, Social and Emotional Development</u> - Children will be confident to say when they do or do not need help.</p> 	
<p><u>Mathematics</u></p> <p>Children will continue to extend their mathematical knowledge including lots more addition and subtraction using real objects and also number lines to help find the answer to calculations. We will introduce money and time and do some simple work on these areas. We will also look at estimation, weight and comparing sizes. Finally, we will be doubling and halving numbers and objects, and looking at odd and even numbers.</p> <p><u>Personal, Social and Emotional Development</u> - Children will be confident to choose resources that he/she needs for his chosen activity.</p>	<p>How can we keep our minds and bodies healthy?</p> 	<p><u>Physical Development</u></p> <p>We will be talking about exercise and how it contributes to healthy living. During PE we will think about the impact exercise has on our body and how our body changes when we exercise. We will know the importance for good health and learn more about exercise, a healthy diet and keeping safe. We will do lots of our PE lessons outside and practise for sports day!</p> <p>We will continue to form our letters correctly and develop a neat handwriting style.</p> <p><u>Personal, Social and Emotional Development</u> - Children will work as part of a group or class and understand and follow the rules.</p>
<p><u>Expressive Arts and Design</u></p> <p>Children will explore the different sounds of instruments, sing songs, listen to music and create dances together to lift our mood and make our minds feel brighter. We will represent feelings, thoughts and ideas through music, dance, art, design & technology, role play and stories.</p> <p><u>Personal, Social and Emotional Development</u> - Children will be confident to try new activities and say when they like some activities more than others.</p> 	<p><u>Understanding the World</u></p> <p>Children will learn about people in the community who help us keep healthy. We will look at their jobs and discuss why they are important. We will find information on the internet and on Espresso, to enhance our understanding about jobs people do</p>  <p><u>Personal, Social and Emotional Development</u> - Children will show sensitivity to others' needs and feelings. They will continue to develop their positive relationships with adults and other children.</p>	
<p><u>Things you can do at home</u></p> <p>Talk about healthy choices with regards to food they eat. Stress how we can eat all kinds of foods but that we should eat more of some than others, and that things like chocolate and sweets should only be eaten as a treat now and again. Encourage children to write sentences and even stories independently using full stops, capital letters and finger spaces. Keep reading and ask children questions to check they understand what they read. Practise reading and writing key words.</p>
