

Sports Premium Funding at Thorp Primary School 2021-2022

Sports Premium funding is government funding to help support and improve the quality and range of physical education (PE), sport provision and pupil engagement in sport in school

Purpose of the funding

The purpose of the funding is to improve PE and sport provision in school so that all pupils develop healthy lifestyles. Schools have the freedom to choose how they spend the money. Possible uses of the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers/staff when teaching PE
- Paying for professional development opportunities for teachers in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sports competitions, or increasing participation in school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing training and payment for staff to provide playground games and/or clubs at lunchtimes
- Supporting or engaging the least active children through new or additional Change4Life sports clubs
- Providing extra, additional activities such as outdoor and adventure activities

Thorp funding allocation

In 2017 the department for Education doubled the ‘Sports Premium’ funding that primary schools receive from £160 million to £320 million a year. The reasons for this were to improve the quality of the PE and sport provision pupils receive. Schools now have a wider remit in how they can spend their money but it must have an impact on all children’s PE and sports provision. Children should be given a wider variety of sports and activities to try out.

The government have also published [funding guidance](#) for this scheme alongside case studies showing how some schools have delivered a real impact for pupils through sports and physical activity.

The PE and Sport Premium is part of a series of programmes led by the department of Education to improve healthy lifestyles among pupils and tackle childhood obesity. As part of the [Childhood Obesity Plan](#), the government are working with other agencies to make sure children are healthy and active. At Thorp Primary we believe we have a duty to our children to encourage them to become healthy, have a chance to access a range of sporting activities and understand the importance of a healthy lifestyle.

| YEAR | FUNDING |
|------------------|------------------------------|
| 2015-2016 | £8,900 |
| 2016-2017 | £8,900 |
| 2017-2018 | £17,820 |
| 2018-2019 | £17,770 |
| 2019-2020 | £17,780 |
| 2020-2021 | £17,770 |
| 2021-2022 | £17,950 not confirmed |

How will the sports premium be spent and who will benefit?

At Thorp Primary School we believe that the money should be used so that:

- All children benefit regardless of sporting ability
- That children (and parents) are encouraged to make informed and healthier lifestyle choices
- That all staff have access to training opportunities and continued professional development
- That children increase their participation in the frequency and range of sports covered
- That sport contributes to their overall achievement and their greater social, spiritual, moral and cultural skills

Thorp Primary School has a history of sporting success and has always been keen to emphasise the importance of physical exercise and healthy lifestyles. The funding provided via the Sports Premium grant does not cover all the PE and sporting aspects that we already deliver, but the additional funding has been used to increase provision, expertise and participation.

Covid-19

Due to the pandemic, Thorp Primary School have a carry over figure of £9108.23. This will be included in the Sports Premium report.

Primary Sports Expenditure

The Primary Sports premium for 2021-2022 is being used to support the following initiatives:

Oldham Sports Development Workers

In association with Oldham Sports Development Service we have bought in the services of one Sports Development Worker to work in school for one full day per week, split over two afternoon sessions. The Sports Development Worker delivers PE lessons alongside our staff thereby ensuring that not only will the children benefit from being taught by a specialist, but our own staff will be developed through sharing good practice and assisting in PE lessons. The Sports Development workers will also train our Year 6 Sports leaders each year. Sports leaders then encourage pupils throughout the school to participate in active games during lunch times.

In addition, the Sports Development Workers also deliver extracurricular sporting activities. The extracurricular clubs will be aimed at all year groups from Reception through to Year 6. We will look at the children's interests and tailor clubs to what the children would like to do.

The Sports Development Worker also encourages links with existing local clubs and through Oldham Sports Development Service advises signposts and offers guidance to both school and pupils on possible routes for increased sporting provision and participation.

Cost £7500

Oldham Sports Development

Existing practice in school has seen teachers not having to teach their own PE lessons for the last few years. Due to new staff at school and teachers being deskilled I am commissioning some training to upskill staff and give them the confidence and skills to plan and teach their own PE sessions.

Approximate Cost £1500

Amelia Faye School of Dance

Millie Bogan is involved with Thorp and will come into school for a set number of days this academic year to work with KS1 and KS2 to teach their dance curriculum. She will also do additional sessions with the children in EYFS. Millie works towards set objectives and reports back to myself on how the children have got on. Millie changes her dance theme each time so the children have a varied dance curriculum. In addition to this, Millie also runs a 6 week morning dance club (KS2) and a 6 week after school dance club (KS1). During this club she teaches the children a dance routine and the children then perform it to the rest of the school and their parents. Millie has a discussion with the children about their interests and possible choices of routines and the children choose the routine they would like to do.

Approximate Cost £2000

Royton and Shaw Primary School Sport Calendar of Events

This calendar of events and competitions sees a wide range of A+B team events for children from Y1 to Y6. Some of the events are held on all purpose outdoor pitches, some in a large sports hall or some at other local primary schools. At the end of the summer term there will be a celebration event with awards for different children who have achieved their best in sports and competitions, children can be selected from all year groups.

Approximate Cost £500

Purchase new equipment to support Physical Development and healthy lifestyles

In the Autumn Term, an audit of PE resources will be completed. Using this audit and discussions with PE experts, new resources will be purchased and old resources will be replaced. Resources for the playgrounds will be purchased to support Sports Leaders and movement for pupils at break times.

Approximate Cost £4000

Servicing of PE equipment

The school will also keep PE equipment up to date with new and replacement equipment. This will also keep us in line with health and safety regulations. We will also replace old and broken equipment and buy new equipment to support high quality teaching of PE.

Approximate Cost £600

Transport

In order for children to participate in sporting events during school hours, we will provide transport for children to and from events. This will happen when we do not have sufficient parental support.

Approximate Cost £400

Oldham School Sport Partnership

We have joined this partnership so we can continue to participate in the school's cross country event on a Saturday morning. We also encourage training sessions for our pupils who compete in this event. Reception children take part in balance bike training. This partnership also hosts other A and B team events that the school can take part in. KS1 children can also participate in the 'Gruffalo Trail' and different year groups can participate in activity walks.

Approximate Cost £800

Trim Trail Repairs

Currently the trim trail in EYFS is out of use for pupils due to it being unsafe. The trim trail allows pupils to be active and promotes positive health and well being. We will fix the trim trail so the children can be active again.

Approximate Cost £4000

2020-2021 carry over- £9108.23

2021-2022 total Sports Premium Budget (including carry over) £27,058.23p

Approximate Spend- £21,200 as of September 2021

Total Spend- £ as of July 2022

At the end of the Spring Term as part of the monitoring cycle, the PE lead will evaluate where we are up to with spending. In the Summer Term, any Sports Premium Money that isn't accounted for will be used to try new activities, for example golf, yoga and mindfulness.

Accountability/Impact

Schools are held to account over how they spend the Primary Sports Premium and in doing so governors and school leadership will consider if the additional funding is having a positive impact on children's healthy lifestyles and/or improving PE and sport provision:

- Through improved teaching and learning of PE/sport through lesson observation and monitoring
- Through high quality inclusive PE curriculum provision
- Through increased uptake/provision in lunch and after school clubs
- Through school participation and partnership with other schools in inter school events and competitive sports
- Through greater pupil participation in PE and sport related activities (in and out of school)
- Through improved pupil recognition of healthier lifestyle choices - pupil voice activities
- Through wider pupil participation in alternative sporting activities
- Through increased pupil participation in active lifestyles (playground games/activities) at break and lunchtimes
- Through the celebration of sport and active and healthy lifestyles

Sport Provision Evaluation at Thorp Primary School 2019-2020 academic year

The following PE and/or sport provision was available at Thorp

- PE and sport curriculum lessons (all classes)
- Weekly swimming lessons (Y4 and Y5 one term each due to lockdown Y3 didn't go)
- Young KS2 Sports Leaders "lunchtime activities/club" for (KS1) children
- After school clubs for all year groups (Rec-Y6)
- After school netball club (Y4/5/6 girls)
- After school running club (Y3/4/5/6)
- Cross country training sessions
- Inter school competitions (football/athletics/netball/cricket/cross country)
- Oldham Schools cross country events (x 6 sessions) - Saturday mornings
- Royton and Shaw Primary School Sport competitions
- A and B team competitive events
- Balance bike sessions (Reception)

Swimming and water safety

The national curriculum states that:

All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:

- *Swim competently, confidently and proficiently over a distance of at least 25 metres*
- *Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]*
- *Perform safe self-rescue in different water-based situations.*

Y6 class-2021 cohort

| Skill | Percentage of pupils considered achieving this by an Oldham registered Swimming Instructor |
|----------------------|---|
| Swim 25m confidently | 100% |
| Range of strokes | 100% |
| Land based rescues | 100% |
| Personal survival | 100% |
