Part A: Pupil premium strategy plan

Statement of intent

At Thorp Primary School, we have high aspirations and ambitions for our children and we believe that all learners should be able to reach their full potential. We strongly believe that reaching your potential is not about where you come from, but instead, about developing the necessary skills and values required to succeed. Our pupils in receipt of the Pupil Premium Funding face specific barriers to reaching their full potential, and, at Thorp, we are determined to provide the support and guidance they need to help them overcome these barriers. In addition to this, we aim to provide them with access to a variety of exciting opportunities and a rich and varied curriculum by;

- *Further enhance progress, in all subjects across the school, with a specific focus on early reading and phonics, through quality first teaching and learning and personalised intervention programmes, so pupils can quickly address any gaps in learning.*
- *Promote personal development of pupils by continuing to ensure all pupils have access to a wide, rich set of experiences and that opportunities to develop their talents and interests are of exceptional quality.*
- *Further enhance pupil leadership, through our Character Education curriculum, so that pupils make a highly positive, tangible contribution to the life of the school and / or the wider community.*
- *Further increase the rates of progress, where there is a low prior attainment and gaps in learning due to school closure during the pandemic.*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<i>Lower prior attainment (gap between peers is evident)</i>
2	Lower attendance rates compared to non-PP children
3	Low self – esteem/ self-confidence/ resilience
4	Limited enrichment opportunities

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<i>To close the gap between disadvantaged pupils and other pupils across school</i>	<ul style="list-style-type: none">• Accelerated progress of disadvantage pupils• Gap between peers are closed across the school• Attainment of age-related expectations
To enhance children's resilience, independence and self-esteem	<ul style="list-style-type: none">• Improved self – confidence, leading to accelerated progress and gap between peers narrowed/ closed
To develop a love of reading for all children, including those most disadvantaged	<ul style="list-style-type: none">• Progress is evident and consistently strong
To enhance equality of opportunity for all pupils	<ul style="list-style-type: none">• All children accessed every area of the curriculum – creating a love of learning and thirst for knowledge

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Aim	Outcome
<p>Strong social and emotional support is provided to remove barriers to learning caused by difficulty to self-regulate emotions through any Covid-19 isolating.</p>	<p>The EHMW lead has supported teachers, pupils and families to support pupils, which will include a range of 1:1, small group and whole class support. This is because of their effective triage system and identification of the provision map through close work with teachers, pupils, and parents. Parents have built stronger links with the school and wider community as a result of the ongoing pastoral support during the unprecedented time of the pandemic. Children are now expressing a positive mindset to their learning.</p>
<p>Increased attendance rates of PP children</p>	<p>The pandemic has affected attendance rates generally. However, these are being addressed with the attendance lead rigorously monitoring and supporting families and will continue in 2021-2022.</p>
<p>Improved attainment for PP children in reading, writing and maths.</p> <p>Remote learning provides access to an effective curriculum during any school or 'bubble' closures.</p> <p>Any gaps identified between PP and non-PP due to Covid-19 school closures will be closed.</p>	<p>The Recovery Curriculum has enabled the school to provide additional work with Pupil Premium pupils to bridge gaps in their learning due to the time missed during remote learning. Whilst Pupil Premium pupils were prioritised for devices, door stop teaching and additional welfare calls, the engagement of this vulnerable group meant that there were gaps upon the return to school, particularly in writing. As we now transition to the full curriculum offer in</p>

	<p>September 2021, the progress and attainment of all pupil premium pupils will need to be closely monitored.</p>
<p>Pupil Premium children’s language and experiential vocabulary will be developed and enhanced in line with their peers.</p>	<p>The early identification of pupils in the nursery and reception setting has proved essential in accessing the correct support for pupils.</p> <p>Staff have worked collaboratively with external local authority advisors to gain knowledge of any early identification of need for EYFS pupils. This early identification has been beneficial of quickly accessing the bespoke support needed for individual pupils and whole class.</p> <p>The teaching and acquisition of explicit vocabulary is planned within the curriculum so that the teaching and learning of vocabulary is explicit. Vocabulary rich environments has contributed to the development of language and children use to apply vocabulary.</p> <p>Story time has proven highly effective in developing listening and attention skills and this will continue to be timetabled for 2021-2022.</p>
